Welcome. . .

We are overjoyed to bring Mary Poppins back to the stage. In March 2020, the Plattsburgh High School Drama Club had to abruptly halt our production just five days before opening night. After a long time waiting and having most of our former cast and crew members graduate, we are happy to be back onstage and start rebuilding our program. There are many people to thank for getting this production back on stage. Thank you to our school district administration for supporting the Drama Club program. Thank you to Bill Verity for your expertise, knowledge, and so often assuring me “we can do this”. Thank you to Allison Maggy for your top-notch choreography, direction, your knowledge, time, and talent that brought out the very best in our cast. Thank you to my group of Drama Club officers, Aiden, Olivia, Marley, Aili, and Amelia, who were all in the original 2020 cast - you never gave up and you worked so hard to bring back this show. Thank you to our incredible cast members for working hard and shining on stage. Special thanks to our group of community actors who joined us and added life to these magical characters. I am forever grateful to Hannah, Anna, Kate and Jenny, our PHS teachers who joined our cast, added to the fun, recruited students to join, and always reassured me the show will happen. Thank you Rory LaPage for your unending support! Thank you Manson for joining us again and providing us with amazing sound. Thank you Dana (ART) and Samantha (CMT), for your backstage expertise and helping us to rebuild our set crew. Thank you to Adirondack Regional Theatre, Dana, Alex, and Tom, for your support and collaboration. The pandemic took a toll on many. The arts suffered greatly and it took a while for so many performances, including our own, to come back to the stage. Thank you to everyone who helped bring life to our performance again. We appreciate all our patrons, donors, audience members, and families. We are happy to be back to doing what we love and we’re excited to present this spectacular show to you! Thank you for coming and we hope you enjoy the show!

ALLY MAGGY (*Director/Choreographer*) is a PHS alum and is joining us for her fourth show as Choreographer and first show as Director. Previously, Ally was the choreographer for PHS's productions of *Beauty & the Beast*, *Hairspray*, and *The Pajama Game*. Ally has trained and performed in ballet with Rebecca Kelly Ballet and Steps on Broadway in New York City, North Country Ballet Ensemble, and with ballet schools in Montreal, Ottawa, and Hawaii. Ally studied directing and screenwriting at New York University. She trained in acting at the Stella Adler Conservatory in New York City and the Actor's Circle Theatre in Los Angeles. She also studied and performed improv at the Upright Citizen's Brigade in New York City. When she is not choreographing, she can be found in the courtroom as an attorney and public defender. Outside of the theatre, Ally enjoys painting, singing, kayaking, and playing guitar and ukulele. She would like to thank her mom, Cheryl, for including her in this production. It's been such an honor and special experience to work alongside her. She thanks Cheryl for all the hard work she has put into creating an amazing theatre opportunity for students and now the community and she admires the countless hours Cheryl has put into painting, designing sets, creating props, and learning to sew so she could also make costumes. She would like to thank Bill Verity - it has been an honor to work alongside him as well and have the opportunity to see him bringing out amazing vocals with the cast. She thanks Aiden for his hard work. She thanks Gavin Perrine for being an amazing Lighting Advisor. She thanks Manson for joining the team again and bringing the show to life with sound. She thanks Grace for all of her help. She thanks Hannah, Anna, Kate and Jenny for keeping rehearsals fun. She thanks Rory for all she has done. She thanks ART for a great partnership. She thanks Dana & Samantha for being such great leaders with the crew. She thanks Paul, Paul, Sally, and Kaitlin for being amazing flyers and for taking on so many other backstage jobs. She thanks the entire crew for their hard work in bringing the show to life from behind the scenes. Finally, she would like to thank the AMAZING CAST that was such a joy to work with. This was the most supportive group she's ever worked with, cheering each other on every step of the way. She could cry she's so proud of them and their hard work and countless hours they've put into making the show a success.

AIDEN DONAH (*Lighting & Tech Director*) is a student at PHS. Previously, he appeared in *Beauty & the Beast* and was a part of the original cast of *Mary Poppins* in 2020. Outside of the theatre, Aiden can be found playing cello, computer building, and participating in Clinton County Youth Court. He will be attending SUNY Canton in the fall for Cybersecurity. Aiden would like to thank his parents for their patience and support throughout the production and late nights at school. He would also like to thank fellow production members and the cast for making this long-awaited musical possible.
